Through a dedicated volunteer network, and partnering with businesses and educators alike, JA offers hands-on in-school programs focusing on seven key content areas: business, citizenship, economics, entrepreneurship, ethics/character, financial literacy, and career development.

In 2016-2017 alone, more than **68,000** NJ students, many of whom live in underserved communities participated in JA's programs such as JA Our City, JA Our Nation, JA BizTown, JA Finance Park, JA High School Heroes and JA Career Success.

What is a Bowl-A-Thon?

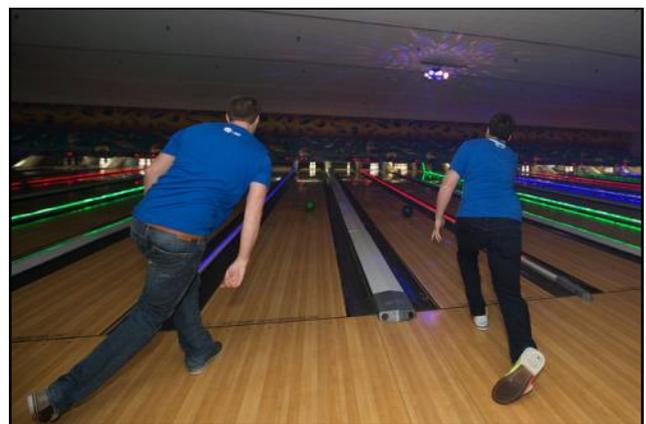

It's an evening of networking, camaraderie and good ole' fashioned fun!

JA's Bowl-A-Thon brings together companies and business professionals to raise awareness and funds for JA.

Participating in a Bowl-A-Thon is a great way for companies and individuals to support students in their community, while also having fun with colleagues, friends, and family.

How it Works

Teamwork makes the dream work. See how a Bowl-A-Thon is organized and the role you can play. JA could not run a Bowl-A-Thon without you and your support!

THANK YOU.

The Bowlers: Fundraise \$110 per person or \$660 per team! \$660 is the cost of a program for a JA classroom — so if every bowler on a team raises \$110, your team can provide a JA Program to an entire class.
